**Our travel blog**  
**Soms Ook Heimwee was launched in 2014 when Yannick left on a solo trip to South-East Asia and Australia. Today, Soms Ook Heimwee is an award winning travel platform with an enthusiastic team of content creators**

What started as a blog to keep his mom up to date quickly grew into a professional, award-winning travel blog with a big focus on photography and captivating storytelling.

Soms Ook Heimwee attracts a growing audience of Belgian and Dutch travellers-to-be, with special attention for the little hearts and big doubters.

A person stands in silhouette in a vast, open landscape at sunset. The sky is a vibrant mix of orange, yellow, and red, with soft clouds. To the right, a large, dark tree stands prominently. The overall mood is contemplative and serene.

# The name

Soms Ook Heimwee literally means  
“Sometimes Homesick Too”.

When I left my comfortzone in Belgium, I didn't know what to expect. Most of the blogs out there are filled with amazing pictures and dazzling stories, as if traveling is always easy. I also share the struggles, pains and tears in my quests of conquering the world. And yes, I still still feel homesick sometimes, eventhough I want to keep traveling to show me son Sue the world.

## Meet the team

SOH is growing!

We often work with excellent interns of PXL University to extend our team.

**Nymke** joined in 2020 to stay on board as a content creator.

In 2021 **Michiel** joined our team as a photographer, and in 2023 and **Jens** (@belgianwino) joined as a co-partner.

**Femke** joined end of 2023 as a travel writer and business developer.

In 2025, **Kayleigh** joined our team as Travel PR expert and content creator.

We work together with a fixed set of freelancers for visual media.

## **Hello Nymke**

**A Limburg whitehead and aspiring world traveler**

Soms Ook Heimwee called out, like a voice that echoed through the Dolomites and over the ocean, briefly kissing the whales at the Azores goodbye, until it found me. And I answered. What's left to see on this floating ball of lava besides fruit blossoms and fields? What's left to taste, apart from those greasy fries and bami disk? (No meat for me, I prefer to keep it plant-based.) Do you have a new adventure for me? I'll start looking for a babysitter for my bunch of homegrown avocado plants, get my camera ready, and stretch my writing fingers.

**Bring it on!**

## **Meet Femke**

**Travel writer, mood maker in words**

Femke's journey begins from the warm heart of Limburg. From here, she seeks the boundaries between adventure and comfort, guided by unique, authentic narratives. With her keen eye for detail and a passion for uncovering hidden gems, she writes stories that emanate from the essence of diverse cultures.

# **Meet Michiel**

## **Traveling photographer**

Fotograaf, bucketlist-afvinker en padeller van voor de grote hype. Een OG als het ware. Mijn doel in het leven? In de voetstappen treden van mijn grote voorbeeld, Dixie Dansercoer. Niet letterlijk dan.

## Meet Sam

**Columnist, father of two, loves short escapes and staycations**

Being a father and teacher, Sam is stuck in Belgium like most of us. He doesn't like faraway and challenging travelling and will always find a humorous way to tell his story. You won't easily forget his visit! Pay a visit to his column on the blog to read his special stories.

A scenic landscape featuring a range of mountains in the background, some with snow or light-colored rock. In the foreground, there are dark, rocky hills and a small body of water, possibly a lake or a wide river. The sky is overcast and grey.

## Quality microblog

Thanks for taking the time reading this and considering working together. I know I have to compete against the big numbers. You want to attract a broad audience, which I understand. I can't give you those numbers,... but I can give you a real and lasting impression. Not pictures of myself on a filtered beach with a hat under a palm tree.

I chose to play it the hard way: quality first.  
Soms Ook Heimwee is real.

# **A visual appealing website**

As a graphic designer I care about how things look.  
Quality comes first.

The blog is custom made with a lot of love. Every article gets published  
in a unique magazine look with a high focus on big pictures.

In August 2023, the website shifted to a brand new static website with  
new branding and better architecture  
to further improve usability and user experience.
